MINING & MINERALS

WHO WE ARE

Balaji Corporate is an Indian Mining Company with experience of over 30 years in the mining industry. Balaji Corporate is a leading global mining company that focuses on finding, mining and processing the Earth's mineral resources. Our goal is to deliver strong and sustainable shareholder returns from our portfolio of world-class assets and our compelling pipeline of projects. We take a long-term, disciplined approach, developing and running long-life, low-cost, expandable operations that are capable of delivering value throughout the cycle.

"Our Goal is to create value for natural resources for the company and for the nation we operate in."

**To transform
natural resources
into prosperity and
sustainable
development**
